Buy a Brick for The Family Tree

Yes! I want to pave the **Pathway of Hope** to The Family Tree!

PROVIDING SOLUTIONS.

PREVENTING CHILD ABUSE.

Help us pave a pathway of hope. Buy a brick today to pave a courtyard for The Family Tree — Maryland's leading child abuse prevention organization.

The Pathway Project completes the southwest entrance to The Family Tree's statewide headquarters on historic Charles Street in midtown Baltimore. Our home serves children and families with a community learning center, meeting rooms for family support groups and family-to-family mentoring, a children's learning lab, spaces for training volunteers and a library!

Honor your family, children, parents or business with an engraved brick or make a purchase in memory of a loved one. The bricks are a wonderful way to permanently add your name and your support to The Family Tree and to help build healthy families in Maryland!

Purchase an engraved brick, planter or tree.
