BALTIMORE CITY CHILD CARE RESOURCE CENTER

Conferences.....Workshops.... Lectures, Oh My!

Professional Development Opportunities Abound

The fall months present many incredible opportunities to attend exciting conferences, workshops and lectures in order to not only fulfill the annual training requirements, but to gain new insights, ideas and information about the care and education of young children.

Among the offerings on the Fall 2018 training calendar there are twelve NEW training workshops covering all learning domains. Look at the training descriptions for each month to find these new workshops. If you register for two or more NEW trainings you will receive a 10% discount on the registration fee.

BCCRC's Annual Emotional Wellness Conference will be held on Saturday, November 3, at the Johns Hopkins University, Charles Commons Conference Center. We will continue to explore resilience in the face of adversity with our keynote speaker Dr.

Brenda Jones Harden, from the University of Maryland, College Park. Dr. Jones Harden will speak on Promoting Resilience in Young Children Exposed to Adversity: The Role of Early Care and Education. Participants at the conference will earn 6 Core of Knowledge hours.

The Eco-Healthy Child Care Program from Washington, D.C will be presenting two workshops in September at BCCRC for early care and education professionals. The workshops center on young children's environmental health and what can we do to improve conditions in the environment to mitigate harmful effects.

The 2018 National Association for the Education of Young Children (NAEYC) Annual Conference and Expo will be held at the Washington, D.C. Convention Center this year. The NAEYC Conference is the largest early childhood conference in the world and an exciting event to attend. The dates for the NAEYC conference are November 15th to the 17th. Information about the conference can be found at www.naeyc.org.

Maryland Family Network will host the 9th Annual Sandra J. Skolnik Lector on Early Childhood Education and Advocacy on Thursday, October 4, at 6: pm. Richard V. Reeves, a senior fellow in Economic Studies and co-director of the Center on Children and Families at Brookings Institute, will discuss his research which focuses on social mobility, inequality, and family change. The lecture will be held at the Johns Hopkins Bloomberg School of Public Health and registration for the Skolnik Lecture can be found at www.marylandfamilynetwork.org.

Strengthening Families Maryland Parent Café Conference

September 28, 2018
8:45 a.m. - 4:00 p.m.
Doubletree Hotel and Conference Center, BWI

Beside love, what else do families need to help keep them strong? Join us for a Strengthening Families Maryland Parent Café Conference to learn more about interactive Parent Cafés, which bring information to parents about the key factors that can help families thrive.

Parent Cafés are peer-to-peer opportunities for parents of children birth through age five to come together and talk about topics that can help to keep their families strong. An effective family engagement tool, Parent Cafés provide structured opportunities for parents to connect with other parents while facilitating parent involvement and parent leadership.

This FREE one day Strengthening Families Maryland Parent Café Conference is for you if you are:

- A trained Parent Café Facilitator who provides Parent Cafés
- A trained Parent Café Facilitator who is not currently (or never has) provided Parent Cafés
- Interested in learning about Parent Cafés
- A parent whose family is involved with an organization offering, or planning to offer, Parent Cafés

For more information, please contact Virginia McDaniel at 443-873-5847.

Safety First at Safety City

Did you know that Safety City is a miniature city of Baltimore; it has streets, crosswalks, street signs, and real traffic signals. Safety City which is located in the historic Druid Hill Park is where children from the ages of Pre-K through 5th grade are taught pedestrian and bicycle safety in a fun way. Safety City also visits schools to do a fun-filled presentation on pedestrian and bicycle safety.

This is a free service provided by the Baltimore City Department of Transportation. For additional information contact: Michelle.Washington@baltimorecity.gov or Julia.Harrison@baltimorecity.gov.

Looking for Books?

BCCCRC and The Maryland Book Bank's first evening for early care and education providers as a huge success with 650 free books given out for child care programs throughout the city! We wish to build on this success so please join us for our 2nd evening at The Maryland Book Bank on Thursday, October 25, between the hours of 6:00 p.m. and 8:00 p.m.!

Online Trainings for Maryland Child Care Providers

The Maryland Childcare Resource Network (MCCRN), of which BCCCRC is a member, is proud to offer an online option for child care providers to meet Maryland training requirements. MCCRN provides an affordable and effective selection of courses that meet MSDE requirements. The online courses are self-paced, available 24 hours a day, 7 days a week, approved through MSDE's Office of Child Care for Core of Knowledge hours, and have printable certificates available immediately after course completion. If you are interested in trying an on-line course go to www.marylandfamilynetwork.org and look for E-learning Options under Training for Child Care Providers.

LOCATE COMPLAINT POLICY

Through the LOCATE service, parents share feedback with the LOCATE staff on the programs in the files: licensed child care centers, registered family child care providers and accredited preschools and camps. While this feedback is at times positive, it sometimes concerns complaints parents have about child caregivers. Of course, LOCATE and the Maryland Child Care Resource Network want to use this information in a way that is fair to providers and parents, while protecting children, as well.

Therefore, the LOCATE Complaint Policy was developed and has been in effect since its approval by the Maryland Committee for Children Board in November, 1983. According to this policy, all complaints made to LOCATE about child care providers/facilities are recorded. The type of complaint is then determined:

Less Serious Complaint – No Violation: complaints which do not involve violations of child care regulations; complaints about situations which do not pose a threat to the safety, health or welfare of a child.

Less Serious Complaint Involving Violation: complaints of any violation of Office of Child Care (OCC), Maryland State Department of Education (MSDE) regulations, and/or the Health Department which do not pose a threat to the health, safety or welfare of a child.

Serious Complaint: any threat to the immediate health, safety, or welfare of a child. When a parent calls LOCATE with a complaint, the referral specialist advises him/her to register the complaint directly with the appropriate regulatory agency and/or Protective Services. Names and telephone numbers of the person with whom the parent should speak are provided.

When a Serious Complaint is received concerning one of the providers of facilities in the LOCATE system, no referrals are made by the referral specialists to that provider/facility. The LOCATE Director also communicates with the appropriate regulatory agency personnel about the complaint, and maintains the "hold" on the provider/facility until the agency's disposition of the complaint is known. Should the investigation result in no action, the "hold" status is removed from that provider's/facility's records. Should the license or registration be revoked, the record is removed from the LOCATE files. Providers are advised of LOCATE's actions in writing.

A provider may appeal the LOCATE Director's decision to cease referrals. Appeals are first addressed to the LOCATE Advisory Committee. Final appeals may be made to the board of the Maryland Family Network.

It is the position of LOCATE and MFN that the Complaint Policy is both fair and workable. Safeguards and due process are afforded to the care givers in the files, and parents' and children's rights to safety are addressed, as well. Any questions on this policy should be addressed to FloJean Speck, Director, LOCATE: Child Care at 410-659-7701.

Exploring Social Studies Concepts with Children's Books

Young children are naturally curious about the people and places in their world, this desire to learn about their world is what social studies is all about. Creating a learning environment that encourages exploration of our world and its people is an important component of early education. Children's literature that focuses on the various concepts of social studies is an ideal catalyst to help children learn about the world and its peoples.

Important Registration Policies

When registering for training classes at BCCCRC please remember the following:

- **Pre-registration is required. Registration and payment must be received three days in advance of the training.**
- **Registration fees are non-refundable. With 24-hour prior notice you may transfer to another class or receive a credit for a future training class, except for Medication Administration.**
- Registration is on a first come, first served basis. If your registration is received after a workshop has reached capacity you will be notified immediately and your payment will be returned.
- A confirmation letter will be sent for all classes — please read your letter carefully. You will not receive reminder cards for each class.
- Payment can be made by check, money order or credit card. **No cash please.**
- Presence at the entire workshop constitutes attendance. Out of respect for our trainers and all of those in attendance, no one will be admitted to a training session that has been in progress for fifteen minutes or more.
- Workshops are for adults only. Please make child care arrangements in advance — children will not be admitted to a training class.
- Reasonable accommodations are offered, if needed. Please call the Resource Center one week in advance to request accommodations.
- In case of inclement weather, workshops held on a weeknight will be cancelled if the Baltimore County Public Schools are closed on that day. On weekends, call the Resource Center and listen to the message regarding Saturday classes.

TO REGISTER FOR CLASSES:

- Complete a registration form and keep a copy for your records. Only those registrations received on a registration form will be accepted.
- Mail or deliver the completed form and payment to BCCCRC.
- Register with a credit card online at www.bccrc.org.
- Remember — registrations must be received at BCCCRC three days prior to the scheduled training.
